

Sunbrella® Product Announcement

Introducing the 2015-2016 Sunbrella Decorative Shade Fabrics Collection

The new Sunbrella Decorative Shade Collection will change how you think about shade structures. You can now have the beauty of a jacquard pattern, the sheen of a coated yarn or the peace of mind that goes along with a fabric that contains 50% recycled content. Fabrics in the Sunbrella Decorative Shade Collection provide varying amounts of protection from the elements.

Unity is the first recycled Sunbrella shade fabric. Crafted for shade applications where subtle texture and distinctive detail creates a timeless charm, Unity is ideal for decorative shade applications. Due to the nature of recycled content, Sunbrella Unity fabrics may exhibit significant color variation.

Unity is made using 100% Sunbrella® acrylic (50% recycled Sunbrella)

Unity Granite
85001-0000

Unity Char
85002-0000

Unity Garnet
85004-0000

Unity Ashe
85000-0000

NEW
Alloy Vapor
4401-0000

NEW
Alloy Steel
4401-0003

NEW
Alloy Bronze
4401-0002

Alloy features a high tech metallic look that filters light and allows water to pass through. It is intended for structures where the need for an architectural aesthetic outweighs the need for complete protection from the elements.

Alloy is made using 11.4% Sunbrella acrylic, 63.9% PVC, 24.7% polyester

Fundamental is a new decorative shade fabric designed specifically for upscale, highly decorative applications. The houndstooth pattern creates a unique visual appeal and is ideal for decorative shade applications.

Fundamental Charcoal **NEW**
