

Emerge Collection

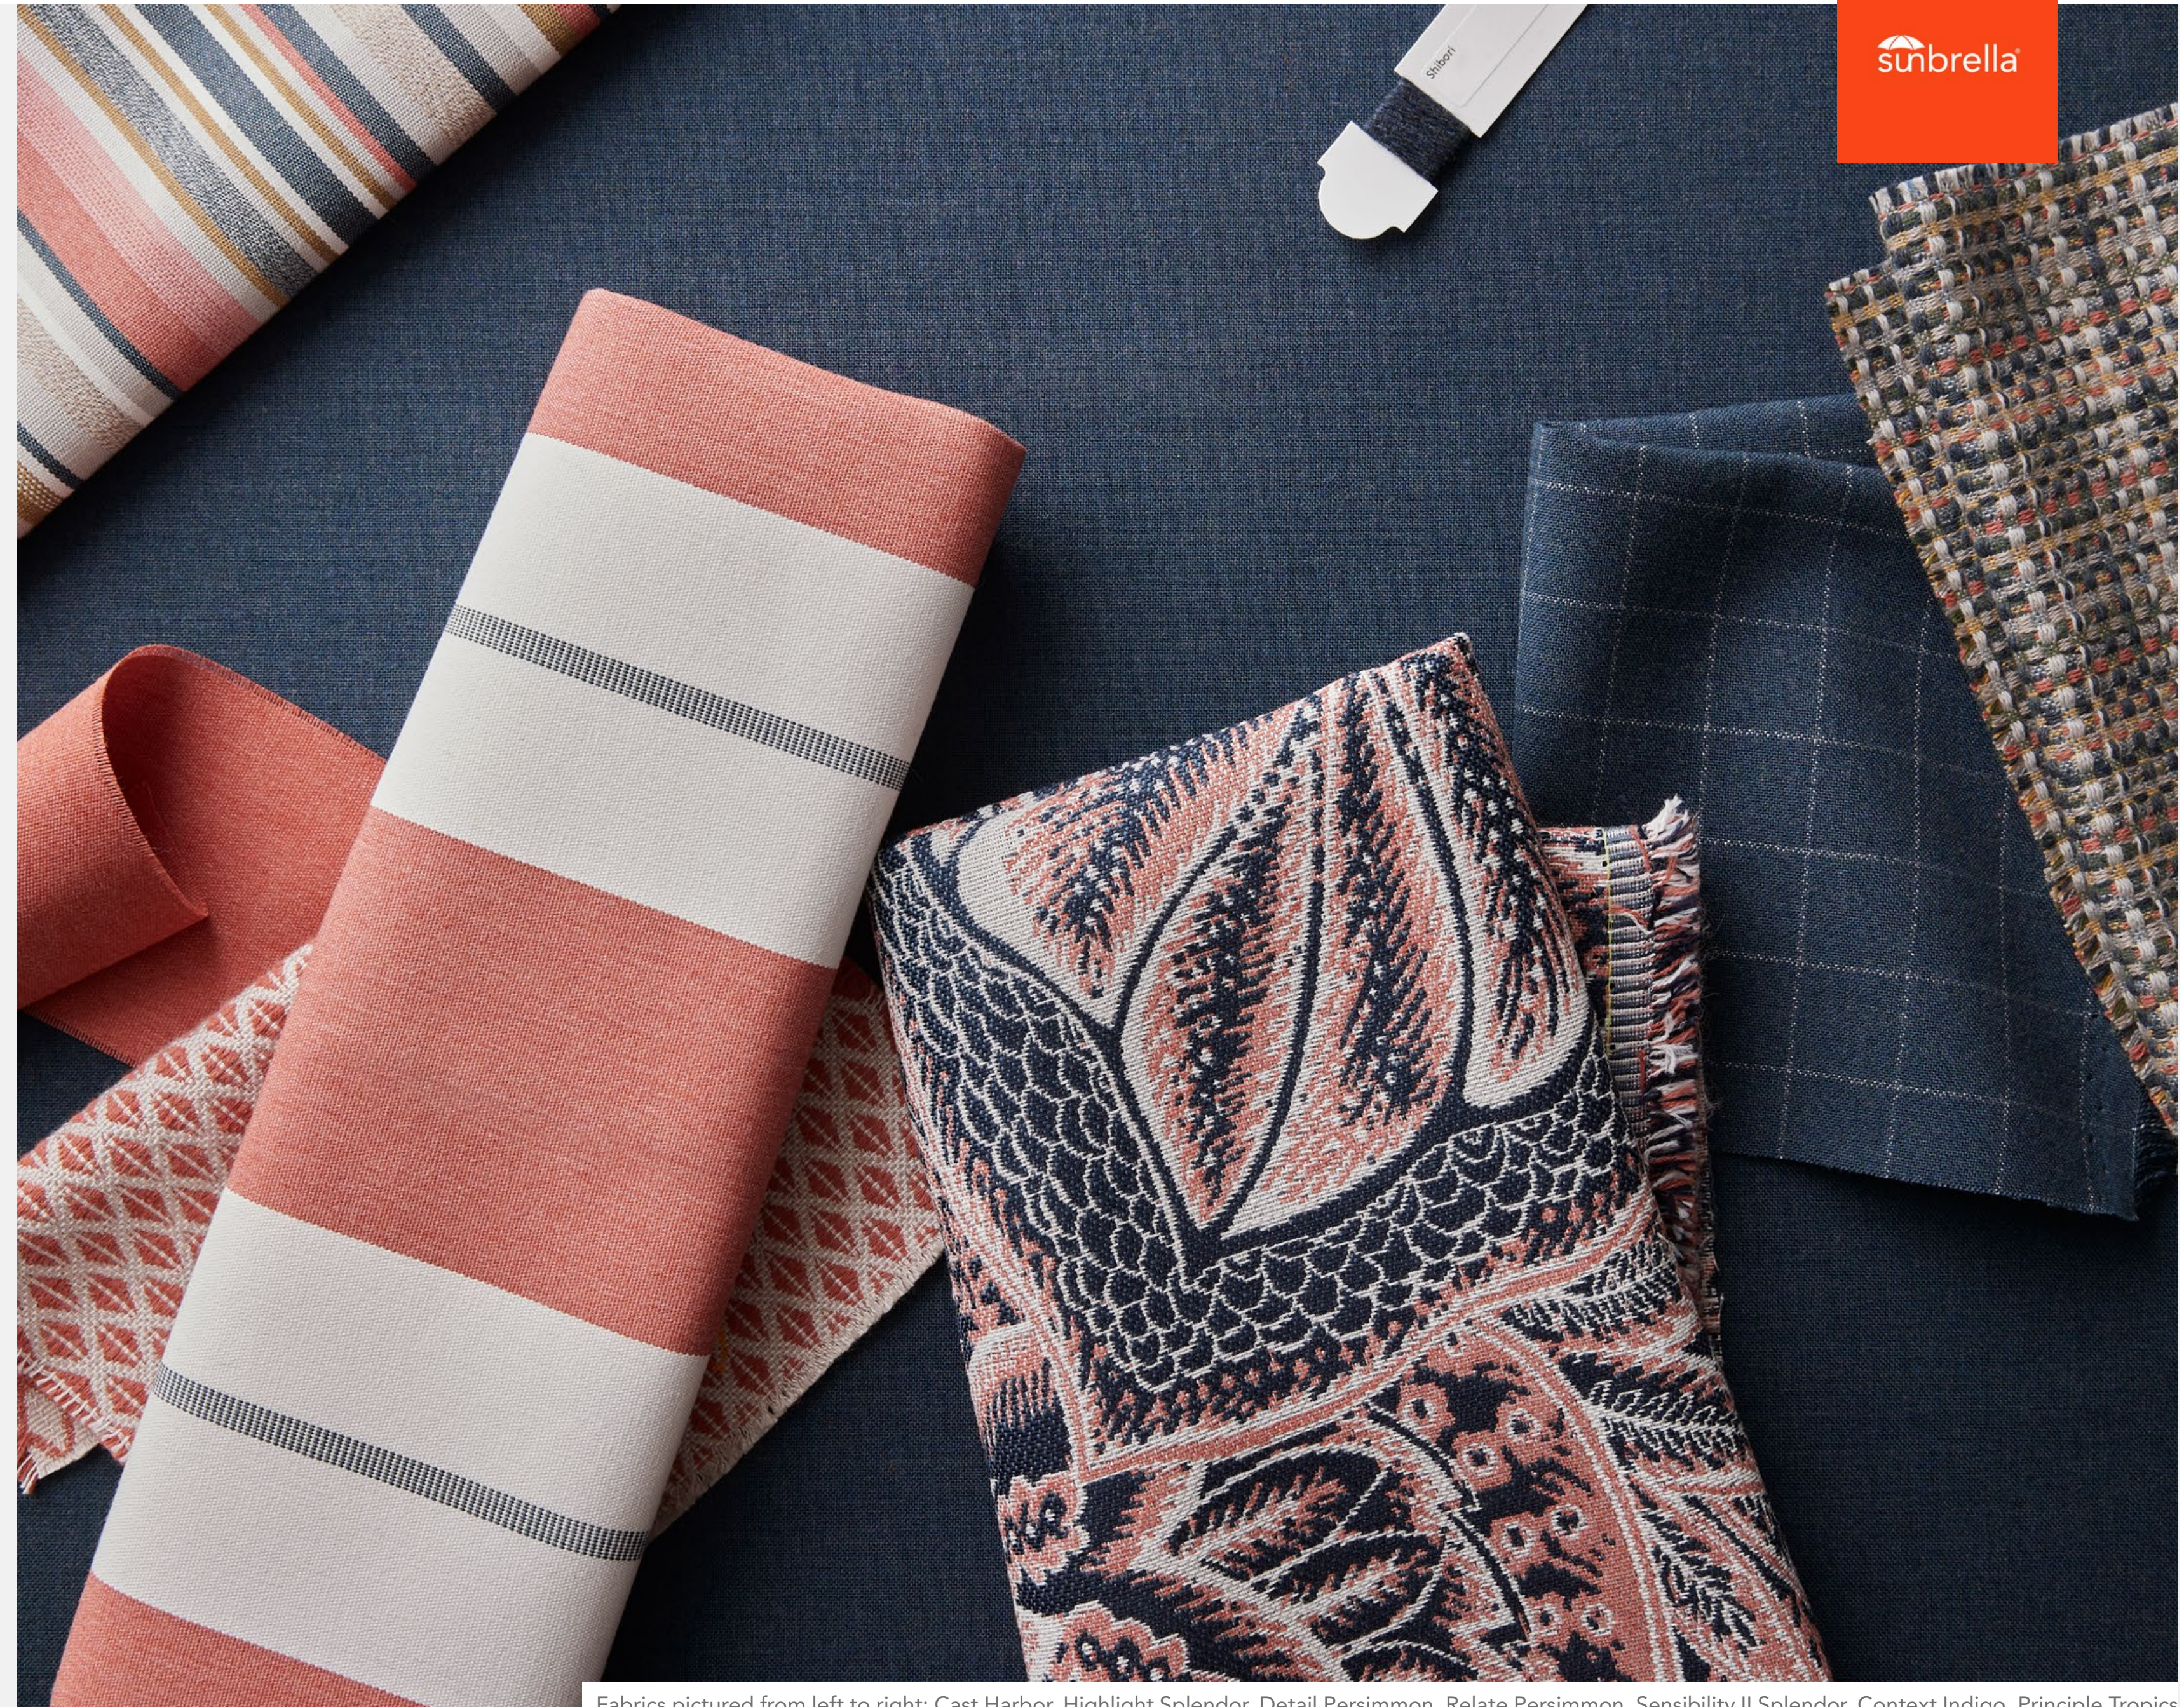

The evolution of the fresh and familiar.

The Emerge Collection draws from the origins of traditional fabrics and adapts them for a more contemporary experience. Classic colors pair with modern hues, creating a beautiful balance between what is fresh and what is familiar.

Emerge offers a multitude of new yarn colors from calming, soft blues to muted, earthy tones, that layer beautifully upon neutrals revealing a modern interpretation of the classics. The Emerge Collection encompasses an abundance of elements including an innovative effect on a timeless basket weave check and a new marled yarn texturized for enhanced visual interest.

Classic striped patterns provide structure, while a sprawling hero botanical lends vibrancy and movement to any piece, ensuring these fabrics work well in every environment and on virtually any application.

This unexpectedly original approach to these exceptional fabrics is the essence of the Emerge Collection.

Bliss

Introduced as part of our Balance Collection, this basic woven with a bi-colored twisted yarn fused with solid color gives Bliss a heathered, textural grid effect. Emerge features two new colors of Bliss- a versatile neutral and a fresh, pale blue.

100% Sunbrella® Acrylic 54" Roll Selvedge 

Bliss Bark 48135-0013

Bliss Dew 48135-0014

Canvas

A staple of Sunbrella upholstery collections, Canvas introduces four new colors that offer elegant style with complete design flexibility.

Canvas Java 57014-0000

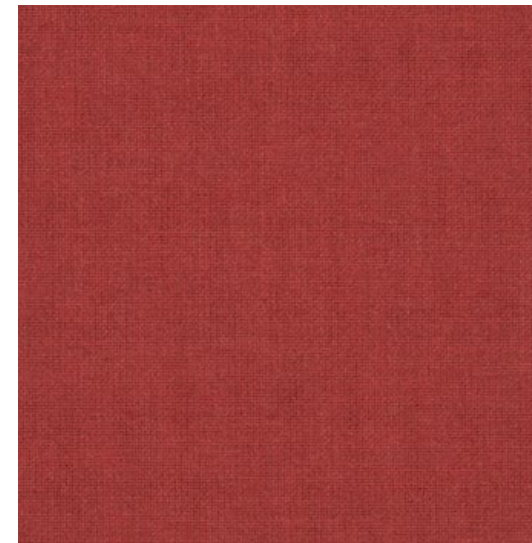

Canvas Fawn 57015-0000

Cast

This trusted basic has become a favorite, thanks to a finely textured, heathered weave that gives the fabric more depth and interest. With this collection launch, new colors of Cast have been added to expand the spectrum of available shades.

Cast Pomegranate 48139-0000

Cast Harbor 48140-0000

Cast Ivy 48141-0000

Fabric pictured: Cast Ivy

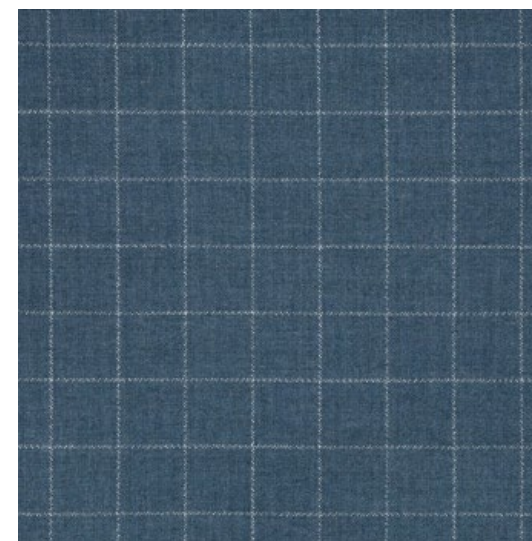

Context

This dry chambray weave is a twist on the versatile, classic check. Though the weave is flat, the marled yarn gives the appearance of texture and it pairs beautifully with existing body cloths like Cast and Canvas.

Context Linen 48138-0002

Detail

This smaller-scale diamond pattern with a chunky basket weave ground, merges contrasting colors for a natural fiber touch and appearance. With a slightly raised stitch for some textural interest and an embroidery-like feel, this is a fresh take on the classic polka dot.

Fabric pictured: Direction Dew

Direction

Based on a classic chambray weave, this pattern features a slub yarn which produces varying degrees of thick and thin spaces. With muted colors, this fabric offers a slightly variegated look adding textural interest to any project.

9.52" W Repeat (24.18cm)

Highlight II Remix 57018-0004

Model

The stitching effect on this tight plain weave creates a Chevron-like sensibility that appears to be floating on the top of the material. The alternating colors give this mid-scale pattern an almost undulating movement for heightened visual interest.

Uncompromising Strength. Unparalleled Comfort.

As the leading performance fabric with the most comprehensive warranty in the industry, Sunbrella fabrics offer best-in-class comfort, color retention, cleanability, and strength that lasts.

Weather Resistant

Sunbrella fabrics resist the damaging effects of sun, rain, snow, and humidity.

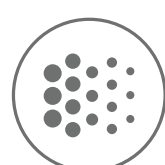

Stain Resistant

Engineered to resist stains and repel water, Sunbrella fabrics are easy to clean with soap and water.

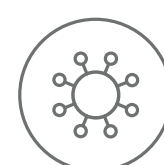

Comfortable

Sunbrella fabrics prove that you can enjoy the best of both worlds: durability and impeccable softness.

Fade & UV Resistant

All Sunbrella fabrics feature stabilized UV and color pigments to prevent fading, damage, or deterioration.

Mold & Mildew Resistant

Woven to stand up to the elements, all Sunbrella fabrics resist unwanted microbial growth that can occur on lingering residue if fabrics are not regularly cleaned. Should mold or mildew appear, simply spot clean with a bleach solution.

Long-Lasting

Sunbrella fabrics guarantee against abrasion, pilling, loss of color, and loss of strength and will stand up to years of normal wear, exposure, and cleaning.
