

HarborTime® Edge

Roll Width: 60 inches • Weight: 11oz/yard²

HarborTime® Edge from Trivantage® features Perfecta Marine® technology, which offers exceptional heat reduction, heat reflection and UV performance. As a result of these enhanced benefits, Trivantage offers an industry-leading 7-year warranty for this hybrid-coated fabric.

Full enclosures should be vented for air circulation.

Colors are representative only. Small variations in shade should be anticipated and are with commercial tolerances.
