

# Create Upscale Upholstery Effortlessly with Quilted Panels

## Save time and money with Quilted Marine Upholstery Panels featuring Sunbrella® Horizon®.

- Elevate your offering with custom quilted design options
- Unlock new possibilities without the need for specialized machinery or training
- Minimize labor costs and save valuable production time with pre-stitched panels
- Offer precise patterns achieved through automated computerized stitching

## Experience convenience and confidence in panels crafted from premium, durable materials.

- Available in extra-large 50" x 52" panels—perfect for entire cushions or inserts
- Made with Sunbrella Horizon Capriccio marine vinyl
- Backed with extra-thick 1/2" marine sew foam for a luxurious look
- Durable heavy-duty solution-dyed polyester thread used for long-lasting performance
- Conveniently shipped with panels rolled on a tube
