MADE IN FRANCE

These fabrics are entirely manufactured in France. In this way, we can guarantee controlled and precise production, responsible working conditions and product quality.

ISO 9001 - ISO 14001

Dickson Coatings is ISO 9001 and ISO 14001 certified.

The ISO 9001 and 14001 is a standard for quality and environmental management.

REACH COMPLIANCE

Dickson Coatings respects the environmental directives listed in the REACH legislation. Each chemical substance, produced in or imported into Europe, must be registered, evaluated and controlled. These fabrics contain registered substances, conforming to the legislation.

EverGreen Fabrics are the result of a pro-active approach and commitment by the manufacturer, Dickson Coatings, to respect people and their environment.
