Putting window coverings in motion with

Quiet Precision

The Sonesse® 40 WireFree RTS Li-ion is a quiet and powerful wirefree motor for use with a wide range of interior window covering applications. Its compact 40mm design adapts easily to smaller shading hardware, therefore requiring less mounting space. It features a rechargeable built-in Lithium-Ion battery, a powerful lifting capacity and it is capable of precise tilting with incremental control for Sheer and Zebra (Layered) style shades.
