

# AQUALON® EDGE

Soft

Roll Width: 59 inches • Weight: 11oz/yd²

Aqualon® Edge Soft is a product from Trivantage®, combining the performance of Aqualon Edge with the protection of a soft warp knit backing. This fabric provides worry-free cover for antique wooden boats, recreational boats, and competition boats, as well as patio furniture, grill covers, RV windshields, airplane covers, and other applications.

Aqualon Edge Soft is a hybrid performance fabric. It features a front fabric coated with Perfecta Marine® technology that creates superior heat reduction, heat reflection, and exceptional UV performance. The backing, made of warp knit polyester fabric, provides an abrasion-resistant surface that’s safe to use against sensitive gelcoats, critical painted surfaces, and delicate objects.

7 Year Limited Warranty\*

**Note:** Full enclosures should be vented for air circulation. Aqualon Edge Soft is not intended for use as a cushion or pillow cover.

\*For color and strength, excluding normal wear and tear.

*Colors are representative only. Small variations in shade should be anticipated and are within commercial tolerances.*
