

CAUSEWAY™

Roll Width: 54 inches • Weight: 29 oz/y

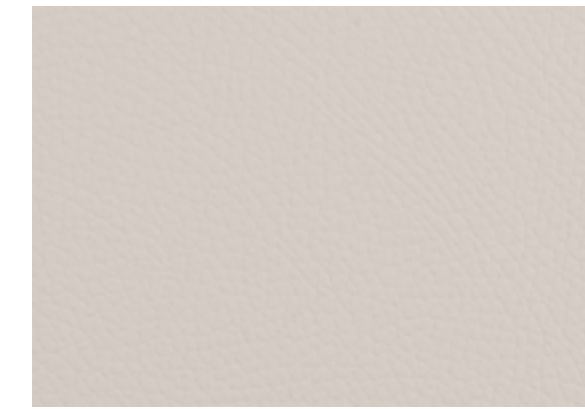

Causeway balances comfort and performance and was designed to exceed the demanding requirements needed for marine upholstery. Featuring a polycarbonate-based top coating, Causeway offers ease of cleanability and extended performance. Ideal for use in marine environments, Causeway is resistant to water, mold and mildew. This marine upholstery fabric is also armed with excellent durability, stretch and recovery and colorfastness. Causeway is a high-performing fabric with unbeatable value, perfect for customers desiring outstanding performance and comfort without greatly increasing the total project cost. Causeway is offered in 16 embossed colors.
