

Hydrofend®

The ultimate defense against the weather

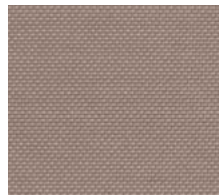

Hydrofend® outperforms uncoated fabrics with up to six times greater water resistance, delivering the ultimate defense against the weather—an ideal cover fabric for boats, personal watercraft, patio furniture, grills, outdoor storage areas, and more. Hydrofend comes in 12 rich colors, forged from durable polyester monofilament yarn. Hydrofend's vibrancy, coupled with its tear and tensile strength, will manage many application requirements and enable it to endure season after season.

5-Year Warranty*

This limited warranty covers the fabric becoming unserviceable because of loss of color or strength from normal usage and exposure conditions, including sunlight, mildew, and atmospheric chemicals. This limited warranty coverage runs for 5 years* from the date of original installation. Consumer is responsible for normal care and cleaning of the fabric. The warranty covers fabric only and not improper installation. We will supply new fabric to replace the fabric that becomes unserviceable. The liability of Trivantage® or its affiliates is expressly limited to this warranty.

*3-year limited warranty for Deep Maroon and Radiant Red
