

Enjoy cool shade in seconds with a

Marine Shade Fly

TRIVANTAGE

ORDER. DONE. GOOD CALL.

With an easy-on-and-off application, a Marine Shade Fly offers even more boating convenience and protection

Enjoy a cool, comfortable on-board experience.

When the heat is on, create easy, breezy shade with our Marine Shade Fly premium boat shade poles, customizable fabrics, and hardware. With hand-selected shade fly products that offer an adjustable shade solution, Trivantage® makes it easy to purchase everything your customer needs for all of their marine shade needs by offering pick-and-choose pole sets, fabric, and hardware.

A Marine Shade Fly offers the ultimate in UV protection and comfort when out on the water. Durable and made to last in the most demanding marine experiences, the removable boat shade poles and fabrics are lightweight, easy to store, and install quickly and easily in either the bow or stern of the boat.

Marine Shade Fly Poles

At Trivantage®, we offer four categories of premium performance lightweight pole sets. Easy to install, remove, and stow, these poles attach seamlessly to shade fabric connectors for extra protection from the sun and premium performance. Built to last for many seasons, they resist fading, scratching, corrosion, mildew, and dirt from all the elements.

Black #205432

Tele-Sun Carbon Fiber Pole

Best-in-class, lightweight black carbon fiber pole with 360° swivel collar, Awlgrip® finish, and UV protection. Installs to deck-mounted rod holders. The locking gimbal provides stability and security and open hood allows for alternative fabric clamping bungee cord system. This pole set offers a premium cam cleat and adjustable telescoping construction and easily mounts in new or existing rod holders. **1 Year Limited Warranty**

- Extends from 52" to 80"
- Main tube: 1-1/2" • Inner tube: 1-1/4" • Rope diameter: 1/4"

Note: Each set comes with two poles, plus a storage bag.

Also available:

Flush Mount Rod Holder 10° #205431

Black #205440

Red #205444

Blue #205442

White #205441

Silver #205443

Black #205435

Carbipole™ Carbon Fiber Poles

These carbon fiber pole sets feature smooth Awlgrip paint for lasting color, resistance to corrosion and fatigue, and carry a 1-year warranty for wear and tear. Easy to use and store, these sets are available in a 1.5" size for shades that measure 50 square feet or less and a 2" size for shades over 50 square feet.

1.5" Carbon Fiber Poles

Available in five colors, these telescoping poles are retractable, come with internal rigging, and fit all rod holders.

- Extends from 68" to 88"
- Pole diameter: 1.5"

Note: Each set comes with two poles. Two black, two white, two silver, two blue, or two red. We do not mix and match.

Also available for 1.5" poles:

Stainless Steel Separating Angled Mounting Base with Matching Cover Plate #205446

2" Carbon Fiber Pole

Available in black, these poles are more durable and lightweight than stainless steel alternatives. They feature high-quality Clamcleat® cleats and stainless-steel rivets.

- Extends from 72" to 108"
- Pole diameter: 2"

Note: Each set comes with two poles, plus a storage bag.

Also available for 2" poles:

Stainless Steel Oval Mounting Base #205438

Stainless Steel Separating Angled Mounting Base with Matching Cover Plate #205434

Aluminum #205433

Tele-Sun Aluminum Shade Pole

Entry-level, strong, and lightweight extendable anodized aluminum shade pole is easy to install and remove. Features a tip ring for a bungee cord system. Installs to deck-mounted rod holders. Nylon cleat allows for easy adjustment of line tension. **1 Year Limited Warranty**

- Extends from 44" to 69"
- Main tube: 1-1/2" • Inner tube: 1-1/4" • Rope diameter: 1/4"

Note: Each set comes complete with two poles.
