

Enjoy cool shade  
in seconds with a  
**Marine Shade Fly**

TRIVANTAGE   
ORDER. DONE. GOOD CALL.

With an easy-on-and-off application, a Marine Shade Fly offers even more boating convenience and protection.

**Enjoy a cool, comfortable on-board experience.**

When the heat is on, create easy, breezy shade with our Marine Shade Fly premium boat shade poles, customizable fabrics, and hardware. With hand-selected shade fly products that offer an adjustable shade solution, Trivantage makes it easy to purchase everything your customer needs for all of their marine shade needs by offering pick-and-choose pole sets, fabric and hardware.

A Marine Shade Fly offers the ultimate in UV protection and comfort when out on the water. Durable and made to last in the most demanding marine experiences, the removable boat shade poles and fabrics are lightweight, easy to store, and install quickly and easily in either the bow or stern of the boat.

# Marine Shade Fly Poles

At Trivantage®, we offer three categories of premium performance lightweight pole sets. Easy to install, and easy to remove and stow, these poles attach seamlessly to shade fabric connectors for extra protection from the sun and premium performance on the water. Built to last for many seasons, they resist fading, scratching, corrosion, mildew and dirt from all the elements.

Black #205432
