

Coastline Plus®

WEBLON®

Roll Width: 62 inches • Weight: 15oz/yard*

Coastline Plus awning fabric is a high performance PVC composite. It features a strong polyester base fabric, with manageable weight for excellent dimensional stability. The top surface is treated with the Rain Kleen® finish for color retention and prolonged fabric life. Coastline Plus is UV, water and mildew resistant, and it is heat-sealable for a strong, waterproof and airtight seal. Coastline Plus can be decorated with a variety of products and methods including pressure sensitive graphics, solvent based digital printing, heat transfer films, heat sealed and inset vinyls, applique, silk screening and hand painting. Made in the USA and backed by a 5-year limited warranty.

Coastline Plus is available in solids, complement solids and select stripe patterns.

Flame resistance meets or exceeds the standards of California State Fire Marshal, NFPA -701 TM2, and ASTM E-84 Class A flame spread.

**Weight varies slightly from color to color.*

Colors are representative only. Small variations in shade should be anticipated and are with commercial tolerances.
