## **TECH DATA SHEET**

### **VIP#3167-PATTERN TAPE** **D/C CREPE PAPER**

This double coated paper tape is comprised of high quality crepe paper coated with high tack, high sheer rubber based adhesive. This product's quick-stick adhesive systems adheres well to a wide variety of substrates as well as to some of the more difficult surfaces. VIP#3167 is an excellent product in splicing operations with textiles, paper and plastics. It can be used for core start ups, mounting displays, signs, posters, name plates and decorative wall products, used extensively in the canvas industry.
