

Weathertyte® Lite 5 Year Limited Warranty

Terms:

Cooley Sign & Awning Products (CSP) warrants that Weathertyte Lite standard colors, when used in a frontlit awning application, and when fabricated, installed and maintained according to instructions, will perform and provide outdoor weatherability¹ from the date of sign or awning fabrication and² under normal exposure conditions provided that the Cooley and other materials³ are properly stored and are applied within two years² of the original shipment date from Cooley. This warranty is contingent on the Cooley material being processed in accordance with Cooley Group's recommended written processing instructions and being applied to properly prepared surfaces and cleaned and maintained in accordance with recommended Cooley's application procedures. Projects of ten (10) or more awnings require registration. Certification of fabrication techniques may be required by a Cooley Group representative. To register, call Cooley Sign & Awning Customer Service at 1-800-992-0072.

"Outdoor Weatherability" for the purpose of this warranty is defined as no appreciable deterioration in the product when viewed from its intended viewing distance. Premature failure due to cracking, crazing, blistering, blowout⁶ or loss of adhesion shall constitute a breach of warranty if it occurs during the warranty period. Replacement substrate and graphics will be warranted for the period corresponding to the remaining warranty period of the original failed material. Slight color change, fading, chalking, edge lifting, or slight reduction in gloss will not materially detract from appearance and does not constitute a breach of warranty. In the event a breach of warranty occurs as defined above, Cooley Group's sole liability is outlined below.

A. Warranty Against Fabrication Failure

Replacement of Cooley material is an amount equal to the value of the materials that failed during fabrication. It is the responsibility of the sign or awning manufacturer to perform incoming raw material quality inspections, to implement appropriate manufacturing process controls including in-process testing, retain converted samples, and to immediately cease using and notify Cooley of any materials deemed defective.

B. Warranty Against Field Performance Failure

Years 1-5:

Cooley will provide an allowance for the defective Cooley material used in remanufacture of the defective sign or awning, calculated using the following formula:

$$\text{Allowance} = A \times \frac{(60 - B)}{96} \quad \text{Where} \quad \begin{array}{l} A = \text{Value of replacement materials}^4 \\ B = \text{Number of months since manufacture or shelf life expiration date} \end{array}$$

C. Decoration

Cooley Sign & Awning Products further warrants that approved pressure sensitive vinyl, when applied to Weathertyte Lite by the approved application methods, will not peel off under normal weathering conditions for a period for five (5) years for vertical exposure in most of the United States and Canada, and three years for vertical exposure in the Desert Southwest (Arizona, New Mexico, and desert areas of California, Nevada, Utah, and Texas.). If the pressure sensitive vinyl should peel off under the above conditions, Cooley Sign & Awning Products will supply new material to restore the awning at the then current price prorated (1/60) for each month remaining in the original warranty period.

C. Decoration (Cont.)

The foregoing is not applicable to awnings which have been damaged by chemicals, airborne particles or dirt, bird droppings, or water run-off, nor to awnings damaged by willful neglect or negligent mishandling, nor to awnings which excessively fade or discolor due to use of non-recommended decorating techniques. Cooley's liability under the warranty is limited to replacement as stated herein and Cooley will have no liability for any indirect or consequential expenses or losses.

This warranty is given in lieu of all other warranties expressed or implied and constitutes Cooley's sole five (5)-year warranty for Weathertyte Lite when used for frontlit awnings.

Notification of Claim

This Cooley warranty requires that Cooley Sign & Awning Products be notified in writing of any claims within twenty-one (21) days of material failure. Claim notifications must include name and lot numbers for Cooley material and films, report of fabrication procedures, in-process test results, finished retain samples, installation date and location, name of sign or awning manufacturer, and any other pertinent information requested by Cooley. The Cooley Group reserves the right to inspect all reported claims. Failure to comply constitutes a waiver of all rights under this Cooley warranty.

The Cooley Group has no obligations under this warranty with respect to products that have been modified or damaged through misuse, abuse, accident, neglect or mishandling by Purchaser or Purchaser's customer. For example, unless specifically claimed in a Cooley product or bulletin, materials are not warranted against premature failure caused by chemical or mechanical means such as, but not limited to, vandalism, cleaning solutions, paints, solvents, mechanical washing equipment, engine fuel spills, engine exhaust, steam, organic solvents or other spilled chemicals. Substrates and films applied to unsound sign or awning boxes for frames or surfaces that subsequently rust, crack, peel, outgas, or become damaged beneath the flexible material are not warranted for performance. Damage from fire, structural failure, lightning, and other force majeure events are not covered.

THE COOLEY GROUP'S LIABILITY ON ANY CLAIM OF ANY KIND SHALL IN NO CASE EXCEED THE AMOUNT EXPRESSLY PROVIDED FOR IN THIS WARRANTY. THIS LIMITATION APPLIES REGARDLESS OF WHETHER THE DAMAGES ARE SOUGHT BASED ON BREACH OF WARRANTY, BREACH OF CONTRACT, NEGLIGENCE, STRICT LIABILITY IN TORT, OR ANY OTHER LEGAL THEORY.
